for your image for your confidence for yourself cosmetic treatments are still considered to be taboo subjects by some but turkey s leading hair transplant clinic is aiming to transform the industry boost transparency and make it easy for patients to find the information they need through a new educational book london based blue magic group which offers advanced hair treatments across jci accredited hospitals in istanbul is making its new comprehensive guide available to all prospective patients interested to undertake this experience the new book is designed to support both men and women suffering from age related genetic or lifestyle associated hair loss as they consider the most suitable options available to them the book offers a detailed overview of the hair transplant industry introduces turkey as a world leader in the development and use of advanced techniques and comprehensively discusses the patient journey right through from start to finish ultimately the publication strives to make it easier than ever before for prospective patients to understand the process know what to expect and select the right clinic today s highly advanced hair transplant treatments are safer and more effective than ever

before and while this is certainly a positive factor it also works to create a more casual overview of the industry our aim with our new book is to improve transparency across the industry and make vital information more easily accessible to those considering scheduling a hair transplant procedure supporting them as they make an informed decision that s right for them the new book also provides insider insight into the experience as a whole right through from international patient registration and eligibility criteria to medical diagnosis reports and check ups

understanding male menopause as a new beginning even the longest journey begins with the first step says confucius i too had to overcome myself to take this step and write this book male menopause a taboo subject that i experienced first hand what started out as a mild uneasiness became a relentless process that put my marriage my career and my self image to the test inexplicable fits of rage sleepless nights cheating and constant mood swings i felt like i was on an unstoppable rollercoaster ride sound familiar you re not alone this book is more than just an account of my experiences it s an honest look at the lows and the turning points in the life of a man who has grown not only through the menopause but also through himself there are countless books and guides by women for women but there is not a single book in the german speaking world that supports us men in this phase of life i break the silence and show that talking about it is not a sign of weakness rather there is an unexpected strength in acceptance i reveal my innermost thoughts my failings my successes and my failures starting with my childhood and continuing to the present day you will learn how physical changes affect our self image and why men often fall into the trap of affairs or unhealthy behavior patterns and more importantly i will show you ways to rediscover yourself and set new goals whether in your relationship your career or your inner self this book will help you to reflect on yourself to accept the changes and hopefully not to make the same mistakes as me yours sincerely alexander von gruenau

looking good a scare at bedtime series barry cummins has it all figured out or so he thinks with his designer clothes fake abs and blindingly white veneers courtesy of cut rate turkish clinics barry believes he s perfection personified he doesn t drink doesn t smoke and spends every waking hour maintaining his appearance in his mind he s god s gift to women never mind that his colleagues can barely tolerate him and his narcissism has left him completely alone but barry s carefully constructed image starts to crumble when he notices his hair is thinning for a man who has built his entire identity on looking perfect going bald is a nightmare he can t accept then the email arrives elite hair solutions istanbul promises a miracle a state of the art hair transplant at an unbelievably low price five star accommodation included and results that will restore his confidence the reviews are glowing the facility looks immaculate it seems too good to be true it is what barry doesn t know is that elite hair solutions isn t a hair clinic it s a front for a criminal organization that harvests and sells human organs on the black market his rare blood type his pristine health from years of vanity driven self care and his complete isolation have made him the perfect target by the time barry realizes the truth it s far too late praise for a scare at bedtime series short sharp shocks that stay with you long after bedtime modern horror with classic cautionary tale sensibilities these stories don t just scare you they make you think perfect length for a single sitting that will haunt you for weeks
