when french troops occupy the italian port city of ancona freeing the city s jews from their repressive ghetto it unleashes a whirlwind of progressivism and brutal backlash as two very different cultures collide mirelle a young jewish maiden must choose between her duty an arranged marriage to a wealthy jewish merchant and her love for a dashing french catholic soldier meanwhile francesca a devout catholic must decide if she will honor her marriage vows to an abusive and murderous husband when he enmeshes their family in the theft of a miracle portrait of the madonna set during the turbulent days

i had this story from one who had no business to tell it to me or to any other i may credit the seductive influence of an old vintage upon the narrator for the beginning of it and my own skeptical incredulity during the days that followed for the balance of the strange tale when my convivial host discovered that he had told me so much and that i was prone to doubtfulness his foolish pride assumed the task the old vintage had commenced and so he unearthed written evidence in the form of musty manuscript and dry official records of the british colonial office to support many of the salient features of his remarkable narrative i do not say the story is true for i did not witness the happenings which it portrays but the fact that in the telling of it to you i have taken fictitious names for the principal characters quite sufficiently evidences the sincerity of my own belief that it may be true the yellow mildewed pages of the diary of a man long dead and the records of

the colonial office dovetail perfectly with the narrative of my convivial host and so i give you the story as i painstakingly pieced it out from these several various agencies

these peculiarities of dorothea s character caused mr brooke to be all the more blamed in neighboring families for not securing some middle aged lady as guide and companion to his nieces but he himself dreaded so much the sort of superior woman likely to be available for such a position that he allowed himself to be dissuaded by dorothea s objections and was in this case brave enough to defy the world that is to say mrs cadwallader the rector s wife and the small group of gentry with whom he visited in the northeast corner of loamshire so miss brooke presided in her uncle s household and did not at all dislike her new authority with the homage that belonged to it sir james chettam was going to dine at the grange to day with another gentleman whom the girls had never seen and about whom dorothea felt some venerating expectation this was the reverend edward casaubon noted in the county as a man of profound learning understood for many years to be engaged on a great work concerning religious history also as a man of wealth enough to give lustre to his piety and having views of his own which were to be more clearly ascertained on the publication of his book his very name carried an impressiveness hardly to be measured without a precise chronology of scholarship
